**AGREEMENT OF THE PLAYER Acceptance of Risks** I am aware that there are physical risks and hazards inherent in squash and in my participation in the 2006 Canadian Doubles Squash Championships, which include but are not limited to: muscular injuries resulting from vigorous physical exertion, rapid movements and quick turns and stops on court, injuries to the eyes, teeth, face and other parts of the body resulting from being hit by racquets or balls, bruises, scrapes and other injuries resulting from falling to the floor or colliding with the wall or other players, additional risks associated with my travel to and from the Championships and associated with non-competitive activities related to the Championships. By participating in the Championships, I am exposed to these risks. I agree to accept these risks and to release the organizers of responsibility for any injuries I might receive while participating in the Championships. In this agreement I understand "organizers" to include Squash Canada, provincial/territorial squash associations, owners/operators of the facilities where the Championships are being held, sponsors and each of their respective directors, officers, employees, coaches, officials, volunteers and members. I understand that wearing protective eye-guards while playing squash significantly reduces the risk of eye or related facial injury. Doubles players must wear eye-guards in all Squash Canada sanctioned events. It is strongly recommended that all players wear protective eye-guards at all times. **Acknowledgement** I acknowledge having read and understood the terms of this agreement, including the description of risks. While participating in the 2006 Canadian Doubles Squash Championships I agree to be bound by the Player's Agreement, Squash Canada's Code of Conduct, Squash Canada's Adjudication Process, Squash Canada's Doping Policy & Procedures, and the tournament conditions of entry, and I agree to conform to all rules and regulations.
